YDS'de Sık Karışan 5 Yapı

However/although, too/enough, what/which, had better/would rather, hard/hardly: kural, doğru ve yanlış örnek, birer soru.

Kısa YDS videoları

1 However mı, although mu?

- **however** iki ayrı cümleyi ayırır: *. However, ...* ya da *; however, ...*
- **although** tek cümlede yan cümle kurar: *Although ..., ...*
- İkisi birlikte kullanılmaz: *Although ..., ~~but~~ ...*

✓ *The results were promising; however, more research is needed.*
✓ *Although the results were promising, more research is needed.*

Dene: ---- the drug reduced the symptoms, it caused side effects.

2 Too mu, enough mi?

- **too + sıfat + to V1**: yapılamayacak kadar (olumsuz sonuç)
- **sıfat + enough + to V1**: yapılabilecek kadar
- İsimle *enough* önce gelir: *enough time*; fazlalık için *too much / too many*

✓ *The text was too complex to translate.*
✓ *The text was simple enough to translate.*

Dene: He isn't ---- to lead the team. (experienced enough / enough experienced)

3 What mı, which mi?

- **what** = "-dığı şey"; önünde isim olmaz
- **which / that** önündeki ismi niteler
- Boşluktan önce isim varsa *which/that*, yoksa *what*

✓ *What I need now is a quiet place.*
✗ *~~The book what I borrowed is overdue.~~*

Dene: ---- surprised the researchers was the speed of the change.

4 Had better mı, would rather mı?

- **had better + V1**: "-se iyi olur" (uyarı, tavsiye)
- **would rather + V1 (+ than V1)**: tercih
- İkisinde de *to* yok. *'d better* = had, *'d rather* = would

✓ *You'd better leave now, or you will miss the train.*
✗ *~~I would rather to walk.~~*

Dene: I ---- walk than take the bus.

5 Hard mı, hardly mi?

- **hard**: çok, sıkı, çabayla (zarfı da *hard*)
- **hardly**: neredeyse hiç; zaten olumsuzdur
- Devrik: *Hardly had we arrived when it started to rain.*

✓ *She worked hard. (Çok çalıştı.)*
✗ *~~I hardly didn't sleep.~~*

Dene: The room was so noisy that I could ---- hear the speaker.
